## RISE AND SHINE WITH FREEDOM

**RISE AND SHINE WITH FREEDOM** is founded by a group of friends who love democracy and freedom. We designed our products using art by Myanmar artists to honour Myanmar Spring Revolution. Myanmar has been fighting for democracy since the Myanmar military staged a coup on February 1, 2021. As the military seized control of the country and engaged in violent crackdowns of people, many crises have emerged—from banking to loss of incomes and homes. **RISE AND SHINE WITH FREEDOM** will use the proceedings from the sales to support those in need of help. Thank you for your interest and support for Myanmar.
